President's Perspective

Well winter is upon us, but we have been mild thus far. Hope you all are able to ride, at least a little bit yet. The Christmas party was enjoyed by all, a special thanks to Gail for all of her fun games!

Looking forward, we have a movie night coming up hopefully the end of this month at the Quad Camp, Bonnie will let us know when she has it scheduled. The movie of the night will be Buck Brannaman's, Buck Movie, for those who have not seen it, it is a wonderful film.

Looking forward to a great 2012! Stay warm and think spring (wishful thinking, probably a little early for that!) ENJOY THE RIDE!
